## Customer Reviews

I buy a Coke Calendar every year and this brand is the perfect size with the coolest pictures! Really goes well in my Coke Kitchen! And I like the fact that the "day blocks" are larger enough for me to write in our families appointments and to do's. Its great! I will keep coming back to buy a new one every year.

Very nice. I noticed though that some of the art is repeated from recent years calendars. I know there are not millions of Coca Cola vintage ad art available, but it would be nice to see some never before released to calendars art. Other than that highly recommended.

Very happy with the new 2016 Coca cola calendar, the pictures are good and the size is perfect.

Nice bright colors, and artwork not frequently seen. The thickness and texture of the paper heavy but pleasant to touch like linen. Very nice.

Great for Coca cola decor. Pictures are colorful, bright, and remind you decompiler times.

Love my wall Calendar. Can't wait to get one next year from .

It was a gift and my sister loved it. I ordered 2 by mistake lol

Exactly what you'd expect. This was a gift and he LOVED it!
