We live in a world where fast-food, processed and canned goods are nothing but the norm. Everything is processed, bleached, filtered, refined—and what we don't understand is that this isn't necessarily good for our health. In doing so, it also conditions our bodies to become fat burning machines. This change in diet will make losing weight fast and easy! Customer Reviews

This book, *The Ultimate Paleo Diet Guide for Beginners: Over 50 Paleo Diet Recipes for Optimal Health and Fast Weight Loss*, is well written and helpful. The author has put extra efforts in writing such a masterpiece. The quality of material of this book is worth more than its price. Easy to understand content for everyone. From me, I will definitely rate this book and the author's efforts a 5-STAR. I highly recommend this book to everyone.

The most difficult part in any weight-loss program I have to say is the diet. I have struggled for years now with this simple but rather surprisingly unmanageable element. With the *Paleo Diet for Beginners* by Emma Rose I have found a perfect haven for my troubles. Chapter two I have to say is my favorite; the food rules were very helpful and have given me an insight on the Dos and Don'ts. The recipes given are very convenient and easy to prepare. my favorite meal is the breakfast; the *Primal Breakfast Burrito* is what I'll go for here. Definitely a five-star for me!

It's hard to change your diet specially when you know you can't enjoy your favorite foods any more. But you have to go through it for a better health & lifestyle. This guide will make it easy for you to start with Paleo Diet. You don't have to give up your favorite item but just have to cook it following the recipes described here in the book. A lot of recipes of breakfast,lunch & dinner will help you change your diet for a better lifestyle. I highly recommend this book for anyone who is trying to lose weight & thinking to start with Paleo Diet.

My girlfriend i s hardcore Paleo because of a gluten allergy. I like the lifestyle and the health benefits she has told me about, but she has been doing it for so long that it's hard for me to just jump right in. This really was the Ultimate Paleo Diet Guide for Beginners and it's given me some direction as where to begin to make it a lasting change in my life. I'm excited to try some of the recipes that it suggests also.

Easy recipe instructions. Very healthy ingredient choices. I recommend this to all who want to be healthy and fat free.

This is a little out of my comfort zone to get into seriously.
