Customer Reviews

BE WARNED: this book is about 2 inches by 3 inches; LITERALLY A MINIATURE BOOK. I thought I was buying the full 'normal size' book; so therefore I was highly disappointed. In MINIATURE size therefore; the book contains 1-quote per day. Again, just plainly disappointed.

I was sitting in the office waiting area of my therapist when I came across this book. I started reading it and was moved to tears by the 2nd chapter. I was not sure of my own purpose and feeling so helpless going through my life until I found that book. I know now that I am worthy because God made me for him and that was not by accident. The author was absolutely brilliant.

I thought I was ordering the original sized book, not the teeny, tiny version. Worse thing is that this was ordered as gift. Can't give them this little thing :(

I have read the regular version of this book but thought this miniature version was super cute. It is a good book to have if you have not read the original and would like to be reminded of what you read .. I am in the process of reading it again with the miniature version. The 40 days are about a page long so I read a day every morning.

I purchased this not realizing it was a miniature book. Disappointed when it came and was only a couple inches in size, however the contents is good for someone who would like to carry a small book for thoughts on their beliefs in God.

It was supposed to be a birthday gift for my brother in law, when it arrived, I was severely disappointed.....nothing said it was a miniature book.....

I've read this a couple of times and now that I'm reviewing and remembering how much I love it..I think I'm going to read it again while I'm on my Daniel Fast. Great book regardless how deep your relationship with God is! It's just right for your walk with God and yourself. Easy read...chapters not too long. Genius. I steal a lot of quotes from this book. On point for sure!

Great companion for when my stress level is high. Calming influence in my busy day. This little book boosts my I-Can-Do-It [or not] confidence-level in the now, with positive results. It's all about giving myself permission.
