# Presidential Dollar Collector's Folder

## Synopsis

The U.S. Mint has started issuing handsome new silver dollars featuring images of the presidents in the order that they served—and this time they’re taking a fresh, contemporary approach! Beginning this year with George Washington, John Adams, Thomas Jefferson, and James Madison, each coin will have large dramatic artwork (bigger than ever before) and display the Statue of Liberty on the reverse. They’ll also feature innovative edge lettering and a process to make the coins stay shinier longer. This 4-part folder is a handsome, practical way to collect those coins as they’re issued and keep them in perfect condition over the years. Done in the same specs as the very successful 50 State Quarters Collector’s Folder (more than 100,000 copies sold), The Presidential Dollar Collector’s Folder offers informative background material on the mint and the presidential coin program, as well as selected highlights of each president’s term in office.

## Book Information

Board book: 8 pages

Publisher: Sterling (October 1, 2007)

Language: English

ISBN-10: 1402751001

ASIN: B0043GXYP8

Product Dimensions: 9.3 x 7 x 0.6 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 4.1 out of 5 stars [See all reviews](#) (31 customer reviews)

Best Sellers Rank: #2,036,366 in Books (See Top 100 in Books) #107 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #232 in [Books > Children’s Books > Growing Up & Facts of Life > Family Life > Money](#) #2163 in [Books > Children’s Books > Activities, Crafts & Games > Crafts & Hobbies](#)

Age Range: 8 and up

Grade Level: 3 and up

## Customer Reviews

I used the regular blue whitman presidential dollar coin folder. That one was a bit tight. This one is not so! This coin folder fits the dollar coins very well and very easy. And it holds the coins pretty well. I definitely recommend this product over the whitman blue folder.

Sorry, I didn’t like this. Nothing in the description told me that there are 2 places for each coin, one

for each mint. I had to buy another collector folder.

This folder goes to President Ford, however, the coins are of non-living presidents and President Regan, who predeceased President Ford, is missing. There are no extra spaces either. I also purchased the Littleton Coin folder. It was manufactured prior to Pres. Ford's death. This folder has space for additional coins. It's not the quality product of Sterling folder but it is error free. By 2016 I'm sure there will be new folders.

This is a nice looking album for saving your Presidential Dollars but it was not for me because it had slots for both P and D dollars and I wanted just one slot per dollar. If you're looking for a decent, inexpensive album with two slots for each dollar, I would recommend this one.

I bought a stack of these to build my collection and I was very happy with the quality of the folders. It opens up to reveal 4 pages and the ends have a paper cover to separate the coins when it is folded up. There was one issue, when I received the folders, it looked like they were very dusty. It ended up being wear on the glossy finish of the folder. So if you like a immaculate looking product, you might be disappointed.

Nice collector book. It has slots for both "D" and "P" Issuances. Many only have one coin slot so two books are needed "D" for Denver or "P" for Philadelphia.

I bought this because it was so cheap and it was what I was looking for. The shipping said 17-28 days but I think it got here in like a week. When it arrived, I was super excited and started filling it out and I can say that it is a quality product and if presented with the choice, I would buy again.

I love how well it is set up. The descriptions for the coins are easily readable. I only wish that it has a plastic cover to go over the coins themselves. I sometimes feel that they might fall out if I open it wrong. But they are just snug enough that I haven't had any problems. I LOVE that it has a space for both mints of the coins. No need to buy a secondary folder.
