Steamboat Seasons: A Medley of Recipes Celebrating the Flavors of Steamboat Springs with Strings in the Mountains Music Festival This has become my favorite cookbook. Easy and unusual recipes - every one I've prepared is delicious! I love the way it is divided into the seasons of the year, with fascinating vignettes, beautiful pictures, as well as restaurant recipes from Steamboat Springs, Colorado. This book has become one of my favorite gifts to give, and is always appreciated!

This cookbook is fabulous! I received it as a gift for my birthday last year and love cooking out of it. I can barely cook, but this cookbook is so easy to use!!! I highly recommend this book to anyone, but it is a great gift for college students, family, and friends!

Everything I've tried has come out scrumptious! Even at altitude it all came out perfect! My "flat land" friends also love this book!

I originally purchased 5 copies of this beautiful cookbook to give as holiday gifts. Most of the recipients live in Colorado and they loved having adjustments for high altitude cooking. This is a great addition to any cooks collection for wonderful recipes at any altitude.

Everything I've ever make from this cookbook is delicious. The recipes are easy and use seasonal ingredients. Whenever I want to cook something special for the family this is the cookbook I use.
