West Chester Pike (Images Of America)

Synopsis

Spanning 20 miles, West Chester Pike, part of Pennsylvania Route 3, connects Philadelphia with the borough of West Chester. From east to west, it passes through suburban communities in Delaware and Chester Counties, namely Millbourne, Upper Darby, Haverford, Marple, Newtown, Edgmont, Willistown, Westtown, East Goshen, and West Goshen. Known early on as the West Chester Road, the route began as a dirt road used to meet the needs of area settlers, mainly Quakers, farmers, and mill owners. In the mid-1800s, formal requests for the construction of a more reliable and easy-to-navigate state roadway came from farmers and mill owners west of Philadelphia who were seeking easier access to markets in the city. West Chester Pike looks at the history of the roadway as it transformed from a simple, rural, dirt road to the bustling four-lane, suburban highway and mostly commercial corridor used today by thousands of area residents, commuters, and commercial workers.

Book Information

Series: Images of America

Paperback: 128 pages

Publisher: Arcadia Publishing (September 17, 2012)

Language: English

ISBN-10: 0738592447

ISBN-13: 978-0738592442

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Customer Reviews

Great book on the road which cuts through the communities where I grew up, worked while going through college and also had a rail transportation history. Considering the page, photo & narrative size limitations, the book is a pleasant surprise and should be in every bookcase in every community from Upper Darby to West Chester. And the photos showing how the "Pike" was at one time road on one side; trolleys on the other are priceless.

This was a great book for all who grew up along West Chester Pike. The old pictures and history of our town were very interesting. I have passed this book to several friends who also enjoyed the book.

Having grown up in the area I remember many of the buildings and the trolley line which ran down the center of West Chester Pike. The photographs are nostalgic, bringing back fond memories of days gone by. Still living in the area, it is interesting to see how the area has evolved. Some early 1900's buildings (before my time) are still standing. Steve Edgcombe has done a great job editing and writing about the history of West Chester Pike.
