## Customer Reviews

This book is really helpful when you want to travel Paris and wait, travel smart. Paris is really one of the nicest place to visit and it is also nice if you plan well and get the best deal. Having this book will give you the ideas and tips in going there plus the do's and don'ts are so informative plus the tips are so genuine and practical . The awesome ideas on where to dine and of course where to go on the best cafe's. Well it is not really expensive to travel after all. Really a good read.

In this book you will learn on how you can afford that Paris vacation on a cheap budget. The book suggests some pointers such as checking for travel deals online, be reminded on "to-do and not-to-do" in planning, etc. Visit Paris with its best places the cheapest way possible with this must-buy book. Thanks to the author.

Paris Travel Guide, this is a book by which you can easily read about Paris. this book will help you a lot to understand the environment and legal formalities. you should read this book once before going to Paris. all in all a good book to learn for a traveler.

This book contains different ways and strategies that will help you to save money while planning the travel to Paris. This book will ensure that your travel is planned in the lowest possible amount. Also lists various ways to save money when eating out and moving around in the city. Useful guide to get the best travel deals for Paris which will definitely gives the enjoyment of dream vacation we are planning. Do's and Dont's of Paris Travel , from this book is best positive ways to save money with lovable experience of vacation. I liked this as useful reference book for Paris travel , also I think I have suggested right one for you.

Some nice tips, but so short, and all this information is readily available online. Waste of money.
