Annuals For Northern California

Synopsis

Discover the best annuals for Northern California with this colorful guide. Plenty of photographs accompany clear, easy-to-follow gardening advice, including tips on when to plant, growing from seed versus nursery-grown bedding plants, optimal growth conditions, problems and pests. This handy reference features almost 450 annuals best suited to the region.

Customer Reviews

I love this book with valuable information and beautiful pictures of almost every annual. A must have for every gardener.

It answered my questions about what annuals would grow best in this area. Also gave suggestions about dead-heading, and upkeep of the plants.
