Paleo Diet For Beginners: Paleo Solution: (Paleo Diet For Beginners, Paleo Recipes, Paleo Cookbook)

Synopsis

The Paleo diet is not just another fad diet, as it is the exact diet that people were designed to eat. Also known as the Caveman diet, the Paleo diet focuses on low-carbohydrate, high-protein foods, while eliminating all processed foods. Start Enjoying The Spectacular Health Benefits Of Paleo Meals Paleo For Beginners will show you how to easily and effortlessly adopt the paleo lifestyle so that you can feel healthy, lose weight, decrease inflammation, and skyrocket your energy level. With this ultimate paleo guide, you'll enjoy the most amazing health of your life, while turbocharging your immune system, easing rheumatoid arthritis and osteoarthritis, and losing weight. You'll also reduce your odds of diabetes, high blood pressure, heart disease, stroke, cancer, osteoporosis, and many other chronic illnesses. Quick & Easy Paleo Meals That Are Simply Delicious & Healthy Paleo Diet For Beginners is a comprehensive, yet concise guide to the Paleo lifestyle, that shows you how to prepare delicious, quick and easy recipes that were specifically designed for people who don't have time to spend hours in the kitchen making elaborate, complicated recipes, but who want to turbocharge their immune systems, skyrocket their health, enjoy longevity and lose weight. Starting a new diet can be challenging, but with the Paleo For Beginners guide to paleo eating, you'll be amazed by the simplicity of the paleo lifestyle, and by magnificent benefits it has to offer. Customer Reviews

This is probably the most useful recipe book that I have come across so far, I've read at least 5 from alone and this book is better than all of them combined. I have always been interested in transitioning to a Paleo diet but I never really felt knowledgeable enough about the recipes to make the change. I'm glad I came across this because now I have definitely made up my mind to move onto a more natural and healthier diet. The content of the book is really helpful and there are tons of different recipes that really caught my eye, it's good to know that I won't have to sacrifice taste for healthiness - it's great to find that medium in between as usually with most diets you have to choose one or the other. The directions are really detailed but also written in a manner that is easy to emulate and I am quite excited to try some of them out; I'm not the best cook in the world so the fact that the recipes are easy to follow is really a big bonus for me. I couldn't be more satisfied with the purchase, it's definitely worth the investment and I'm sure my body will be thanking me in the next few weeks

App won't let me access book unless I wrote a review. But it has been so long since I even looked at it that I don't remember.

Easy to read, use and enjoy - Found these to be good resources for learning to cook a paleo diet
