Wow, so many Hawaiian Recipes! This book is so fascinating. Imagine learning about different Hawaiian recipes that you can do in the comforts of your home? This is divine! I can also see that the recipes are all balanced and certainly mouth-wateringly delicious. I can't wait to try them one by one.

I got this book from a friend who knows that ever since my trip to Hawaii a few years back I have been obsessed with their delicacies. They're sweet, full of flavor and absolutely delicious. This book has helped me remember the wonderful memories of my Hawaiian trip and has really tickled my taste buds. Some of my personal favorite recipes in the book would have to be the Healthier Hawaiian Pizza (delicious and healthy) and the Frozen Hawaiian Pie Recipe. I am looking forward to being able to experiment more and try out the rest of the dishes in the book!

I never travelled to Hawaii but now I can say I have eaten from there. According to my friend who went there the recipes are authentic giving you an idea about what people are eating there. The recipes are well detailed so nobody should have a hard time cooking.

Some really fantastic recipes from the Hawaiian islands. I love food from all over and this cookbook helps by adding more recipes to my growing collection. Thank you.
